UHF Medicaid Conference July 18, 2018

Who are we?

- 2,500+ diverse, community-based primary care physicians, specialists and other service providers
- 650,000+ Medicaid beneficiaries
- Objective: Build an integrated delivery system that incorporates:
 - Social Dimension
 - Behavioral Health
 - Physical Health

CBO Partners

- Northern Manhattan Improvement Corporation (NMIC)
- Regional Aid For Interim Needs (RAIN)
- Key Area of SDH
 - Economic Stability
 - Targets
 - Economic Instability
 - Food Insecurity
 - Housing Instability

SDH Intervention

- Conduct SDH screening
 - ACO SDH Screening Tool
 - Developed and supported by CMS
- Provide Case Management Support
- Develop Action Plan
 - Actions/referrals to maximize existing entitlements
 - Connect to programs they are eligible for
 - Connect to PCP/preventative care
 - Follow up on progress

What have we learned so far?

- Must be open to learn and to teach
- Team-based Co-design approach works best
- Never forget the end goals
- Communication and data sharing is vital

Thank You!
